

FUNCTION PACKAGE & CONTRACT 2019

INTRODUCTION TO TOWERBOSCH

Towerbosch is one of the most beautiful and child-friendly settings for lunch or intimate functions in the Stellenbosch area. The thatch-roofed function venue is situated in the bend of a mountain stream, flanked by nasturtium carpeted wood and sweeping lawns. Towerbosch can arrange any special function for you, from birthday celebrations to year- end-functions.

Towerbosch captures the eye and imagination with a bespoke ceiling chandelier installation made of farm twigs painted white and draped with vintage treasures, old crockery and family trinkets. The floor is filled with unique chairs and tables of all shapes and sizes which give it an eclectic yet inviting feel. An array of family silverware and mixed china sourced from nearest and dearest cupboards adorns the tables. A large fireplace and comfy library nook with old books and oversized leather sofas, round off a relaxed, homely ambience.

The unique style of preparing and serving the food keeps any function interesting and exciting, as it is served feast-style on every table which compliments the present with pleasant aromas and exceptional taste, still reminding you of your past.
